Mr. Albert Boscov

1929 - 2017

Mr. Boscov's legacy extends from the department stores, to Boscov's Travel and beyond. The business acumen of the Boscov and Lakin partnership helped them to see the opportunity for travel agencies and Boscov's Travel was established as an extension of the Boscov's brand in 1974. Inspired by his mission, the Boscov's Travel brand has grown to 18 locations, as well as a corporate and group division.

Beyond the scope of business, Mr. Boscov made an impact on the lives of thousands through his philanthropic efforts.

A visionary and leader, Mr. Boscov will be truly missed. We will honor his memory by continuing his mission based on principals of community and customer service to be sure our clients' travel dreams come true.
