This advertisement contains highlights of the plans developed by Travel Insured International, which include travel insurance coverages underwritten by United States Fire Insurance Company, Principal Office located in Morristown, New Jersey, under form series T7000 et al, T210 et al and TP-401 et al, and non-insurance Travel Assistance Services provided by C&F Services. The terms of insurance coverages in the plans may vary by jurisdiction and not all insurance coverages are available in all jurisdictions. Insurance coverages in these plans are subject to terms, limitations and exclusions including an exclusion for pre-existing medical conditions. In most states, your travel retailer is not a licensed insurance producer/agent, and is not qualified or authorized to answer technical questions about the terms, benefits, exclusions and conditions of the insurance offered or to evaluate the adequacy of your existing insurance coverage. Your travel retailer may be compensated for the purchase of a plan and may provide general information about the plans offered, including a description of the coverage and price. The purchase of travel insurance is not required in order to purchase any other product or service from your travel retailer. The cost of your plan is for the entire plan, which consists of both insurance and non-insurance components. While Travel Insured International markets the travel insurance in these plans on behalf of USF, non-insurance components of the plans were added to the plans by Travel Insured International, and Travel Insured International does not receive compensation from USF for providing the non-insurance components of the plans.
